

# Certificate for Audited Data Protection

mein-datenschutz  
beauftragter.de

Mein-Datenschutzbeauftragter.de awards

**d.vinci HR-Systems GmbH**  
Nagelsweg 37-39  
DE - 20097 Hamburg

the certificate for audited and implemented data protection management.

The company has demonstrated in a data protection audit, that appropriate technical and organisational measures are implemented and effectively implemented within the framework of procedures and standards in order to ensure, that the protection needs of personal data are sufficiently secure.

All existing organizational areas of the company were audited.

The certification is based on the criteria of Mein-Datenschutzbeauftragter.de, which are based on the EU General Data Protection Regulation (GDPR) and the Federal Data Protection Act of Germany (BDSG).

These are in particular

1. the principles in Art. 5 GDPR on the processing of personal data,
2. the requirements for security in processing in accordance with Art. 32 GDPR (technical-organizational measures,
3. the currently required state of technology.

The certificate applies exclusively to the defined scope and entitles the client to manage and use the data protection certificate within the framework of the certification rules.

This certificate is valid until **31.10.2021** and is reviewed annually as part of a re-audit.

**Certificate Number: 22045-01-2020**

Lübeck, 29.10.2020
